

Professional photobook: eco-leather covers

Colori/Colours: tawny - marrone scuro/dark brown nero/black - bianco/white rosso/red - blu/blue

SAFARI □ LINE

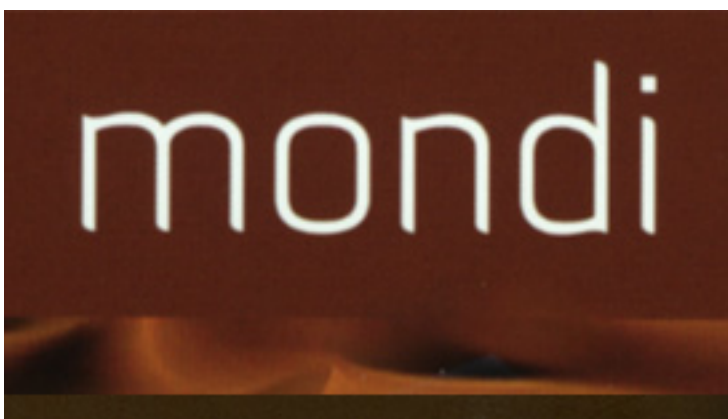

A thirst for Africa, for feisty and wild nature. Surprise, thrill, stupor. Colours so vivid they glare, contrast so clear they leave you speechless. Boundless horizons, clear and endless skies, where time is soothed only when it follows the path of the sun and its ceaseless light...

CONTEMPORANEA

CONTEMPORANEA □ LINE

An artist's look into and beyond things.

An homage to artists Fontana and Ceroli.

MONDI □ LINE

Luna (moon). Dedicated to dreamers, captured by its pale silver light that lights the night. **Marte (mars),** for those who do not give up, for those who struggle and believe in reality but is open to possibilities. **Terra (earth)** for those who taste the present and savour its full warmth. **Venere, (Venus)** for those who love beauty, the cornerstone of all Worlds (Mondi).

DUCHESSA □ LINE

The womanly spirit is laden with chiaroscuro and the magic of lacework. Enigmatic and intriguing, it barely whispers seducing words to those who are bewitched by unheard voices and unseen shapes. Hopelessly in love, fascinated by mystery and by life's secret game.
